FOR IMMEDIATE RELEASE – June 1, 2009

JUNE 2009 SPRING & SUMMER DUI ENFORCEMENT

GREELEY, Colo. – Members of the Weld County DUI Task Force will be conducting sobriety checkpoints and DUI patrols throughout Weld County during the month of June, in conjunction with the state-wide “100 Days of Heat” campaign. The Task Force would like to remind drivers that a sobriety checkpoint and DUI patrols can take place on any given night at any location in Weld County. If you drink and drive, you will be caught and arrested!

The Weld County DUI Task Force is a multi-jurisdictional Task Force consisting of law enforcement officers from many different participating agencies focused on targeting impaired driving in Weld County. By conducting checkpoints and increased patrols this task force strives to increase public awareness about the dangers of impaired driving, as well as making the roads safer for the motoring public.

The Weld County DUI Task Force would like to encourage and stress the importance of every driver to drive responsibly and sober during this holiday weekend. For more information about DUI Enforcement, contact the Weld County Sheriff’s Office Traffic Division at 970-356-4015 or visit Colorado Department of Transportation’s website at www.dot.state.co.us
